ISSUE NO. 7

REVISED FLEET COLOR REPAIR PAINT CODE NUMBERS

Air dry enamel or lacquer repair paints are available in the following revised list of special order colors. They can be obtained from suppliers of refinishing materials. The Ford Motor Company code number designation and its corresponding vendor code number is given for each color.

The color charts corresponding to these codes are in the revised Special Order Paint Selector Book that will be issued to each Ford and Lincoln Mercury Dealership in mid-February.
